CLUB HISTORY

The Drouin Dragons Soccer Club was established in 1975.

With the increasing popularity of the sport in this country and the growth of Drouin, DDSC have continued to experience growth in player participation for 2025 and expect the growth to increase in 2026.

Presently we have approximately 170 Mini Roos, 160 Junior and 80 Senior Players competing at various age levels in the Gippsland Soccer League with several our players going on to represent Gippsland and Victoria in recent years.

Drouin Dragons will maintain its roots in 2026 in the Gippsland Soccer League fielding 15 Teams that include 5 x Under 12s, 2 x Under 14s, 1 x U12 Girls, 2 x U15 Girls, 2 x Under 17s, Reserves, Women and Senior Men.

Our In House Mini Roos Program will continue at Bellbird Park with forecast numbers to increase year on year. The skills based program follows the Football Australia format and runs throughout the regular season and caters for children from 5 to 10 years. Most of our teams have girls participating alongside the boys, and in fact girls represent approximately 30% of our young players. We have increased Mini Roos numbers from 32 in 2018 to 170 in 2025 and targeting 200 Mini Roos in 2026.

Sponsorships are appreciated and therefore not just limited to what is listed. Any of the sponsorship packages can be negotiated with the club.

Sponsorship packages expire in October of the season that the Sponsor participated in. During November, the Drouin Dragons Executive Committee will contact the existing Sponsor and offer them an extension of a package for the upcoming season.

All associated costs about the establishment of naming rights on strips and/or signage placement at Bellbird Park are included in the packages.

Team Sponsorship are not for the entire Age Group (excluding Mini Roos). For instance, the Four Under 12 Teams will each have different sponsors on their Playing Shirts.

Thank you for considering a sponsorship arrangement with the Drouin Dragons Soccer Club. Should you have any matters for discussion, please don't hesitate to contact us via e-mail provided below.
